The cost of acquisition of the houses and lands is Rs 24,265.

Under "24 Mis: (2) Mis (Genl) 9. Compensation for lands taken up for public purposes", there is a provision of Rs 7,000/- for the State.

A sum of Rs 20,000 is provided under "24 (9) Special and Unforeseen Charges". But this provision is made to admit of budget rules being strictly observed and is to be indented upon only under Govt. orders.

4/9/03

So, there is no provision in the budget - for this amount. Should be given as an additional grant. The Comptr may be requested to state whether there would be any difficulty in placing the money at the disposal of the President

The Comptroller was accordingly asked to state whether the present state of the cash balance will bear the additional grants-in-aid sanctioned for the marginally noted purposes.

(1) Rs. 7,500 incurred in connection with the acquisition & demolition of Mr. Venkata Subbaraya Iyer's house, Mayavaram.

2. 24,255 required for acquisition of certain houses in the Fort Kochala.

In reply the Comptroller states that it is not the intention of Govt. to utilise during the remaining months of the current official year the provision of Rs. 1,50,000 now made under 24 Miscellaneous (5) Charities, Donations &c., 4 Subscription to Victoria Memorial Fund the required amount may be reappropriated from this head as the additional grants already sanctioned, and proposed for sanction from time to time, his office for Kaveri Falls Electrical Power Transmission Scheme, Public Works, Palace list and other minor items already amount to over 8 lacs and that in consequence he would hesitate to recommend any further additional grants being sanctioned this year.
